

# ***Illinois Study Guide for the Certification of Associate Addictions Professionals (CAAP)***

This Study Guide has been created to help candidates prepare for the CAAP written examination. The main function of the guide is to provide a brief overview of the different areas of importance for the CAPP credential. The written exam contains 100 multiple choice questions and has a time limit of 2 hours. This Study Guide also includes some general tips for preparing for a written exam and for taking multiple choice exams. Additional resources may be beneficial for test preparation. This guide does not ensure a passing score and will not provide you with actual exam questions.
