
MAINTAINING YOUR CERTIFICATION

CERTIFIED AOD COUNSELOR

Certified Alcohol and Other Drug (AOD) counselors will follow the guidelines set forth in the Illinois Model for Counselor Certification*. They are required to pay a biennial certification fee of \$170.00 for the CADC, \$190.00 for the CRADC, \$210.00 for the CSADC, or \$220.00 for the CAADC and submit 40 continuing education units (CEUs) on or before the expiration date that is designated on the certificate. A late fee of \$45.00 will be assessed if the certification is not renewed on time.

Certified AOD counselors will be notified that their certification is about to expire no fewer than 60 days prior to the expiration date. The renewal notice will come via email. They will submit their biennial certification fee and CEUs to the Illinois Certification Board (ICB) by their expiration date. Fees are to be paid and CEUs are to be uploaded into their online Certemy portal in order for their recertification to be processed by ICB.

A. Continuing Education Policy

1. **Forty (40) ICB approved continuing education units (CEUs)** are required to maintain certification and must be earned within the two-year certification period. An average of 20 CEUs should be obtained each year. CEUs are not transferable to any other certification period. CEUs obtained prior to the certified counselor's initial date of certification are not eligible for maintaining certification. Certified AOD counselors may receive CEU credit only once for a training event, even if it is repeated during different certification periods. A CEU is equivalent to one clock hour. (Excluded is non-program time such as breaks, social hours, registration time, meal times). One college semester hour of credit is equivalent to 15 CEUs, one college trimester hour of credit is equivalent to 12 CEUs, and one college quarter hour of credit is equivalent to 10 CEUs.
2. All **40 CEUs** required to maintain certification **must** be recognized or petitioned for ICB CEUs.

The CEUs must include the following topic:

- **15 CEUs in Alcohol and Other Drugs**

At least 15 CEUs of education that are on alcohol and other drug information.

(Examples: pharmacology, signs and symptoms of alcohol and other drugs use, AOD rules and regulations, AOD special populations.)

The remaining CEUs are to be education specific to knowledge and skills/Performance Domains related to the Core Functions of AOD counselors (refer to the Illinois Model for a list of core functions). These CEUs do not need to be AOD specific. (Examples: therapeutic approaches, theories of counseling, human behavior/development, family dynamics, domestic violence, cultural issues, confidentiality, legal systems, health/safety, professional relationship dynamics, crisis intervention, psychology, clinical documentation.)

CSADCs and CAADCs – 6 CEUs must be training received in how to provide clinical supervision. These CEUs do not have to be AOD specific.

Certified AOD counselors have the option to complete all 40 of their CEUs on alcohol and other drug specific topics.

3. **CADCs** who are also Licensed Private Practitioners, are required to **only** submit ten (10) alcohol and other drug specific CEUs for recertification. Recertification is contingent on continued good standing of the Illinois Department of Financial and Professional Regulation (IDFPR) license; therefore, proof of a current license is required and must be submitted with their biennial CADC renewal. **(This policy is applicable to CADCs only. CRADCs, CSADCs, and CAADCs are not eligible for this policy and therefore, must submit 40 CEUs at the time of recertification.)**

Licensed Private Practitioner means a health care practitioner who is one of the following:

- A physician licensed to practice medicine in all its branches pursuant to the Medical Practice Act of 1987
- An Advanced Practice Nurse with a psychiatric specialty licensed under the Nursing and Advanced Practice Nursing Act [225 ILCS 65]

F. Extension of Continuing Education Requirements

Certified AOD counselors unable to meet the continuing education requirements for recertification may request a one-month extension through their Certemy portal. The one-month extension is \$50.00. To request an extension, certified AOD counselors must include the biennial certification fee plus \$50.00 for the one-month extension. The extension time starts from the certified member's expiration date. Extensions will not be granted beyond one month. Certified AOD counselors who have not met the requirements for recertification by the end of the extension time will have their certification terminated. They will not be permitted to place their certification on inactive status.

G. Inactive Status

Certified AOD counselors in good standing unable to meet the continuing education requirements for recertification maintenance due to health or extenuating personal reasons may place their certificate on inactive status if they meet the requirements.
