AOD COUNSELOR CERTIFICATION WITH CODP I/II BOARD REGISTRATION

Illinois Certification Board (ICB) Certified Alcohol and Other Drug (AOD) Counselors who are also Board Registered Co-Occurring Disorder Professional (CODP) I/II are required to pay a biennial certification and registration fee and submit 10 CODP Category III continuing education units (CEUs) along with the required 40 Category I and II CEUs for a total of 50 CEUs. Notification of expiration will be made no fewer than 30 days prior to the expiration date. They will submit their biennial certification and registration fee and CEUs to ICB by their expiration date. Forms for the documentation of CEUs are available on the ICB's website, www.iAODpca.org, under Credentialing/Credentialing Forms/CODP. The form must be completed, signed, and submitted with proof of attendance. CEUs should not be submitted until notification of expiration. **CEUs may be uploaded at time of payment.**

A. **Continuing Education Policy**

1. Fifty (50) ICB approved CEUs are required to maintain credentials and must be earned within the two-year credentialing period. An average of 25 CEUs should be obtained each year. CEUs are not transferable to any other credentialing period. CEUs obtained prior to the initial date of certification/registration are not eligible to be used for maintaining credentials. CEU credit is only given once for a training event, even if it is repeated during different credentialing periods. A CEU is equivalent to one clock hour. (Excluded is non-program time such as breaks, social hours, registration time, meal times) One college semester hour of credit is equivalent to 15 CEUs, one college trimester hour of credit is equivalent to 12 CEUs, and one college quarter hour of credit is equivalent to 10 CEUs.

2. All 50 CEUs required to maintain credentials **must** be recognized or petitioned for ICB CEUs. Continuing education is broken down into three categories, and some may be recognized by ICB for all three categories.

- **CATEGORY I (Counselor I)** - Minimum 15 CEUs of education **specific to AOD**.

Examples - pharmacology, effects of alcohol and other drugs on the human body, signs and symptoms of alcohol or other drugs use, dynamics of substance use disorders, medical treatment issues, detoxification/withdrawal, relapse, AOD rules/regulations, AOD special populations, history of AOD.

- **CATEGORY II (Counselor II)** - Minimum 25 CEUs of education **specific to knowledge and skills/Performance Domains** related to the Core Functions of AOD Counselors (refer to the Illinois Model for a list of core functions), but does not have to be AOD specific. This education covers counselor skills, competencies, and knowledge base.

Examples - theory/techniques of therapeutic approaches, human behavior/development, dysfunctional behavior, family dynamics, domestic violence, cultural issues, special populations, social services, confidentiality, legal systems, intervention/prevention strategies, health and safety, professional relationship dynamics, crisis intervention, psychology, clinical documentation.

CSADCs and CAADCs - six (6) of the 25 CEUs needed for Category II must be training received in how to provide clinical supervision.

- **CATEGORY III (CODP III)** - Minimum 10 CEUs of education specific to knowledge and skills related to the CODP Core Functions (refer to the Illinois Standard for a list of the core functions).

Examples - counseling approaches with Co-Occurring Disorder (COD) clients, attitudes toward COD population, roles, boundaries, mental health disorders rule/regulations, signs/symptoms of mental health disorders, history of mental health disorder treatment, rehabilitation research methods, attitudes toward COD population, roles, boundaries, and professional relationship dynamics.

3. **CADCs** who are also Licensed Private Practitioners, are required to **only** submit ten (10) Category I alcohol and other drug specific CEUs and ten (10) CODP Category III CEUs for maintaining their credentials. Category II CEUs are **not** required. Recertification is contingent on continued good standing of the Illinois Department of Financial and Professional Regulation (IDFPR) license; therefore, proof of a current license is required and must be submitted with their biennial renewal. **(This policy is applicable to CADCs only. CRADCs, CSADCs, and CAADCs are not eligible for this policy and therefore, must submit 40 CEUs at the time of recertification along with the 10 CODP Category III CEUs.)**
